After Thanksgiving December 4-8th Freshmen and Sophomores will be FAST testing which is the reading test that must be passed for graduation and it's an adaptive test in 3 progress monitoring parts PM1, 2, and 3. You took PM1 at the start of the school year, PM2 is in the beginning of December, and PM3 is in the spring. Adaptive means that growth is measured between each test, and PM2 is the beginning of PM3 which means that PM3 picks up where you left off on PM2. We are incentivizing PM2 for testing students who show growth will be invited to a field day Field Day on December 19th for their growth in FAST PM 1 to PM2.
