Winter testing begins this week with EOC retakes. You should have received a Focus message from Mrs. Griffin with your testing date, time, and location. Locations are also posted outside of Guidance. Testing sessions this week will start at 7:30am. Please be in your location on time. If you have any questions, see Mrs. Griffin.

Next week, December 4-8th Freshmen and Sophomores will be FAST testing which is the reading test that Sophomores must pass for graduation. FAST is an adaptive test in 3 progress monitoring parts PM1, PM2, and PM3. You took PM1 at the start of the school year in August, PM2 is in the beginning of December next week, and PM3 is in the spring. Adaptive means that growth is measured between each of the 3 tests. This means that PM2 is actually the beginning of PM3 so doing well next week means your test may be easier in the spring. Also, we are incentivizing PM2 for testing students who show a level of growth from PM1 in August to PM2 next week, with a field day Field Day on December 19th by invitation only.

Dual Enrollment students please check your FOCUS messages for QR code to begin ordering textbooks for the IRSC Spring 2024 semester. QR codes for ordering IRSC textbooks are also posted in Guidance and the Library.
