Students, you must be in class to learn. This is a clarification for you regarding restroom passes. The time you have for a bathroom pass is 5 minutes from the time that is written on the pass.

Remember also, simplify your experience entering school.

Remember: arrive a few minutes earlier than you normally do, 7:00 at the latest. The tardy policy remains in effect so plan accordingly. You must be in the checkpoint line by 7:00 (first bell) in order to get a security pass to class. Security passes will expire at 7:15am. Also it is your responsibility to take the pass as they are passed out at the gate. If you forget to take the pass at the gate, then you will need to go to the cafeteria for a pass.

The items you need to have in your hands to pass to the security monitor at the checkpoint are only:

Your laptop on top of your 3 ring binders.

Everything else stays in your book bag. Get yourself organized, lighten your load by cleaning out your book bag.

Just FLC, CWA will be here at 11:30 for those who like to meet about membership.
