

## PARKING SALES FOR 2024-2025 SCHOOL YEAR

Parking permit applications must be completely filled out and signed by both student and a parent/guardian. In addition to the two forms, the following must be brought in at the time the application is submitted: Proof of on-line payment (<https://osp.osmsinc.com/indianriverschools/>), valid driver's license (not a learner's permit), current insurance card, and current vehicle registration. If all paperwork is not complete and current, you will **NOT** be issued a permit. If you do not have a license yet, but will have a license on or before **October 18, 2024**, you may reserve a parking spot by submitting all other paperwork and making payment. Reserved spots will be held **only until October 25, 2024**. At that time, the spot may be sold to another student and there will be NO refund of the parking fee.

**PARKING IS A PRIVILEGE - No refunds will be given if parking privileges are revoked.**

In addition to the specific parking lot rules contained on the signed Parking Permit Rules authorization form, the following apply to acquire and retain your parking privilege:

- You must maintain a 2.0 or above GPA.
- You must meet and maintain the 90% attendance requirement.
- You must not be on the school's Obligations List.
- A school suspension, 9 or more unexcused absences, or excessive tardies may result in the loss of your parking privilege.
- Leaving campus during the school day without authorization **WILL** result in the loss of your parking privilege.

**Any vehicle parked on campus without a permit or in a spot belonging to another, will be given one written warning. A second offense may result in the vehicle being towed.**

You must come on the date and time specified based upon your end of year unweighted GPA for advance parking selection. If you are unavailable on the assigned date, you may send all documentation with a third party. Keep in mind that the person who represents you will be choosing your parking spot. After the date assigned, students can get a parking spot from 7:30am to 2pm beginning on August 5<sup>th</sup>. Once school starts, you can get a parking spot before school, after school, or during lunch only.
